

Boarding Kennel Update 9/21/2021:

Due to unforeseen challenges with the ongoing COVID-19 pandemic relating to staff shortages, the economy, and issues beyond our control, **we are forced to close the boarding kennel indefinitely effective Jan 4th, 2022.**

We are sorry for any inconveniences that this may bring upon you and your animals. We are seeing the silver lining in this and believe that it allows us to further prioritize the medical care of your animals.
